Circulation for December was 2774, an increase of 25% over last year. There was growth in e-books and more programming is being planned for children and adults in the media/fiction areas. The Art teacher from the school will be coming to view the available space for the mural. The knitting class was successful, and the children's programming was full, with 4 on the wait list. The 'Medium' was a big hit - there wasn't enough room for all that wished to attend - she offered to come again.
