

Playaway Launchpad Policy

Worth-Pinkham Memorial Library offers a selection of Playaway Launchpad tablets for loan outside the library. These tablets come preloaded with a mix of educational and fun content centered on a theme. They are 100% secure with no risk for unintended content and do not require an internet connection. Each tablet has a 7-inch screen and circulates with a protective bumper case. Guidelines for borrowing our Launchpads are as follows:

- Adult (age 18+) library cardholders are eligible to check out a limit of two (2)-Launchpad at a time. The user's account must be in good standing. "Good standing" is defined as not having any outstanding fines or overdue items.
- Launchpads circulate for a period of fourteen (14) days and may be renewed twice if there are no active holds on the title.
- There is no charge to borrow Launchpads from the library; however, a fine of \$1.00 per day will be assessed to any tablets returned late.
- A replacement cost of \$100.00 will be charged if a Launchpad is lost or damaged. Lost accessories (USB cord, adapter, case, etc.) will bear a \$15.00 replacement fee.
- Launchpads must be returned in person at the Circulation Desk; they may not be left in the book drop. Returning a Launchpad in the book drop is subject to a \$5.00 fine.
- It is highly recommended that the borrower check the Launchpad prior to its return and clear any stored data. The library is not responsible for any personal information left on the device.
